DAIFUKUJI FUJINKAI

Promoting the general
welfare of the Sangha
since 1915

We belong to the United Hawaii Soto Shu Women's Association and enjoy hosting a conference in Kona every seven years.

The Daifukuji Fujinkai has greatly supported the temple over the decades. Among our members, compassionate relationships are formed, friendships nurtured, and faith in the Three Treasures (Buddha, Dharma, and Sangha) deepened. Fujinkai members attend the annual UHSSWA conference held at a different Soto Zen temple in Hawaii each year and enjoy making new friends, as well as reuniting with old friends. We welcome ideas for projects and activities. Please join us and help us grow.

WE WELCOME NEW MEMBERS

Although the Daifukuji Fujinkai was originally formed as an association of women over a hundred years ago and has functioned as such over the years, our group today is taking a bright step forward by welcoming **any adult** who agrees to support our objectives. Annual membership dues are \$10. Those 85 and up are exempt from paying dues. We invite you to become a member.

Helping Sangha and Community

We help with the New Year's party and other events, collect food for the Food Basket, help maintain the temple's gardens, and engage in a variety of community projects.

Field Trips and Educational Workshops

In the fall of each year, we take our members on a fun field trip. We visit temples, museums, farms, and cultural sites around the island. The annual field trip is a popular activity, as are educational workshops.

Fundraising

We hold an annual fundraiser such as a pancake breakfast to raise funds for our activities.
