2017 Precepts Study and Buddhist Confirmation Ceremony

Receiving the precepts & one’s Buddhist name and formally becoming a disciple of the Buddha is an important event in the life of a Soto Zen Buddhist. One goes through a process of study and reflection together with Rev. Jiko and a group of Dharma friends. The sharing of one’s life is done in an atmosphere that is gentle, accepting, and compassionate. Many have found their lives illuminated and enriched by this inner journey.

The 2017 Lay Confirmation Ceremony will be held at Daifukuji in June (date to be decided). In preparation for this ceremony, classes on the 16 Bodhisattva Precepts will be offered by Rev. Jiko from March through May.

If you are interested in signing up for these classes or learning more about what Lay Confirmation entails, please contact Rev. Jiko at (808) 322-3524 or email her at info@daifukuji.org by the end of January.

Mahalo from Your Temple President

Dear Daifukuji members and friends,

Well, another year has passed. As we welcome the new year, we will also welcome a new temple president. It has been my pleasure to serve. I have learned a lot and will always be around to spread what I have learned. I look forward to seeing all of you at services and get-togethers in the future. Thank you for all your support.

Much aloha,

Stephen Tanaka

Outgoing Board President

Membership Dues

At their December 1st meeting, the Daifukuji Board of Directors decided to increase annual membership dues to \$60 per household in 2017. This amount includes \$6 which will go to the Hawaii Soto Mission Association.

Daifukuji operates entirely on donations. Your donation to the **Temple Operation Fund (ijihi)** is very important. Whatever amount you can contribute beyond the membership dues is greatly appreciated & will help sustain Daifukuji throughout the year.

For those experiencing financial hardship, dues exemptions can be given. Please see Rev. Jiko.

The practice of generosity brings happiness to both giver and receiver.

A New Year, A New Vision

Daifukuji: A Light in Our Community

Aloha, dear Daifukuji members and friends,

I wish all of you a very happy and peaceful New Year. Although the days flow in an endless stream, the concept of a new year makes us feel that we are getting off to a fresh start. Whatever happened in the old year can be released with compassion. When the temple bell is rung at midnight in a ceremony called *Joya no Kane*, its *gong! gong! gong!* awakens us and helps us overcome the 108 worldly desires which bind us and bring us worries and trouble. At the New Year's service, our hearts are cleansed as we are blessed with the Buddha's most wondrous teachings. We can truly begin the New Year in a good way.

With a new year comes a new vision. At Daifukuji we will be turning our light toward enhancing the well-being of our community and working to ensure the sustainability of our temple so that it will be here for future generations. Specifically, we will be addressing the financial challenges with which we are faced. Temple members will soon be receiving information about Daifukuji Soto Mission's new **Legacy Endowment Fund**. This information will be put on our website for anyone to view. This Legacy Endowment Fund is what will help our temple continue for many more years. I deeply and humbly ask for your support in getting it off to a good start.

I am also looking forward to the formation of two new committees: (1) The Daifukuji Wellness Committee and (2) The Daifukuji Membership Committee. The focus of the **Wellness Committee** will be to implement Blue Zones concepts to create a healthier, happier sangha. I am very interested in having our temple be part of the the Hawaii Blue Zones Project: <https://hawaii.bluezonesproject.com>. The focus of the **Membership Committee** will be to promote temple membership. At Daifukuji, we'd like people to know that our membership is open to everyone and that we'd appreciate the support of those who find Daifukuji a cause worth joining.

What's most important is that we move forward with love, mutual respect, humility, and compassion. As a sangha, our greatest aspiration is to benefit all peoples and all forms of life. May 2017 bring everyone peace, happiness, and prosperity. I look forward to seeing you at the mochitsuki, New Year's Blessing services, and New Year's Party. *Namu kie butsu. Namu kie ho. Namu kie so.*

With warm aloha, in gassho,

Rev. Jiko
