Let us gather to pray for world peace and to renew our personal vows as Buddhists to live in peace and harmony with others and with the natural world. A blessing of the high school graduates by Jiko Sensei and our Sangha will take place immediately after the Memorial Day service. All are invited to stay for a special luncheon in the social hall, prepared by the Fujinkai in honor of the graduates and their families. Please join us for a morning of prayers and blessings. Flowers are needed for the altars.

Honoring Our Graduates

Baccalaureate Luncheon on May 27

Every year the Daifukuji Sangha honors high school graduates who are the children and grandchildren of our members at a Baccalaureate ceremony and luncheon. We also invite graduating seniors who are members of the Teen Sangha and youth taiko groups. If you know of a graduating senior whose name was not mentioned on page 1 or who would like to take part in this blessing, please give his or her name and address to Rev. Jiko as soon as possible by calling 322-3524. We are proud of all of our graduates and would not want to miss anyone.

2008 Japan Trip

Rev. Jiko has begun planning a 2008 Japan Tour which will be open to Daifukuji members and friends. This 12-day tour will depart Kona on May 28, 2008 and return on June 9, 2008. We will be visiting the Tamiya family at their temple Kogenji in Niigata city and going to unforgettable places such as Eiheiiji Monastery in Fukui, the ancient capital of Kyoto with its many lovely temples, the famous Japanese garden called Korakuen in Kanazawa, the site of the great Buddha statue in Nara, and the historic island of Sado. Details of the tour, including cost, will be announced when available. The itinerary is subject to change. Please inform Rev. Jiko if you might be interested in joining this Sangha tour to Japan. So far about 20 members have signed up!

Dear Members and Friends,

Now, more than ever, let us take refuge in the Buddha, Dharma, and Sangha and send waves of wisdom, kindness, and love out into our troubled world. For there to be peace, we ourselves must live peacefully. Gassho,
Jiko Sensei

Boy Scouts Volunteer for Clean-up Duty by Julia Crawford

Every Monday Boy Scout Troop 26 meets at the Holualoa Elementary School Cafeteria. The rest of the week they have busy lives as students, athletes, artists, and just kids. But on Sat., April 7th, the boys put aside their Game Boys, Play Stations, and tennis rackets to meet at the temple.

As part of the Boy Scout commitment to community service Troop 26 volunteered their Saturday morning to clean the cemetery grounds at Daifukuji. They gathered with leaders Earl Miyabara and Sharon Albrecht and marched up to the cemetery grounds.

Under the morning sun the boy scouts emptied and cleaned flower containers, raked leaves, pulled weeds, and cleared walkways of debris. When a visitor to a family gravesite was injured, she was quickly attended to by troop members.

Volunteers included leaders Earl Miyabara & Sharon Albrecht, Sharon's daughter Sarah, and Scouts Will Albrecht, Jason Fornanack, Daniel Trevithick, Abraham Andl, and Michael Andl. The boys enjoyed snacks and meeting some temple members after the clean-up activity.

Message from Our Temple President

Dear Member and Friends,

Just a little update on temple happenings.... Our stonewall is complete and is everything we had hoped for. We can now see the traffic much better and we are safer. Our sidewalk to Teshima's is once again clear and can be used. I would like to encourage all of our members to use the temple parking lot when going to Teshima's to eat. This way we will be able to help with the limited parking for the restaurant. It is safe and convenient for you to use our lot and we will be helping other members of the community to more easily have a place for their cars at the restaurant and make their eating experience more comfortable.

Once again I want to thank all of you who so generously donated to our stonewall fund. I hope that it is as pleasing to you as it is to those of us that have been overseeing its construction for a month. We will now be working on the landscaping.

Our annual bazaar is coming up in May. It is an event that many in the community look forward to every year. I was told by more than one person that they mark their calendar at the beginning of the year to watch for our bazaar in May. Please join us in whatever way works for you. Please come out and enjoy being part of our wonderful Sangha community.

Much aloha, gassho,
Jan Bovard
